## Tips for Viewing the Cruise

Viewing of the classic cars can be done extensively along the cruise route. Parking and viewing is available on both sides of the route on 4th Avenue and County 14th St. There is ample room to park and view on the east side of Avenue B (east of the curb) and along the south side of 32nd St. between Avenue B and the canal.

**NOTE:** Traffic control will start at 4 pm and the route will be closed to traffic at the beginning of the cruise - 4:30 pm - so get there early. Avoid the congestion on 32nd St. and use alternate routes.
